

Georgi Atanasov

Software Engineering Student

✉ georgi.atan000@gmail.com 📞 0885446585 📍 Plovdiv, Hisarya

Education

Bachelor's degree, Software Engineering 09/2020 – Present
"Paisii Hilendarski" Plovdiv University, Plovdiv

- Completed courses in Software and Web Development, exposing me to a diverse array of coding languages and technologies, including C++, C#, Java, MSSQL, ASP.NET and various other tools.
- Studied algorithms and data structures as part of my university curriculum, establishing a foundational understanding of these core computer science concepts.
- Developed a solid foundation in mathematics, covering subjects such as linear algebra, analytical geometry, probability, and applied statistics.
- Strengthened my programming, mathematical, and web development skills through rigorous coursework and examinations.

Secondary Education 09/2008 – 06/2020
High School Hristo Smirneneski, Hisarya

- Secondary education with acquired third degree of professional qualification in the profession of Hotelier. Specialty – Organization of the hotel industry.

Employment

Associate Software Engineer 09/2022 – 02/2023
Draftkings, Plovdiv

- Developed and implemented a dynamic data visualization for sports related data, providing valuable insights for informed decision making in sports risk analysis.
- Proactively refactored legacy code, optimizing performance and improving code readability, leading to a reduction in system errors and increased development efficiency.
- Successfully fixed critical bugs, improving the stability and functionality of the software application.
- Checked configuration files and logs to uncover root causes of problems.

Receptionist Trainee 10/2019 – 02/2020
Medical Center Vitus, Hisarya

- Communicated with clients, and updated client records.
- Skillfully resolved customer problems and complaints through efficient problem-solving, ensuring high customer satisfaction.
- Corresponded with clients through email or telephone, ensuring effective communication and understanding.

Personal details

Gender
Male

Nationality
Bulgarian

LinkedIn
[linkedin.com/in/georgi-atanasov-9ab5851a6](https://www.linkedin.com/in/georgi-atanasov-9ab5851a6)

Summary

Passionate about coding, on a journey to discover my niche in the software development field.

Skills

C#, .NET, JavaScript, React, Git, MSSQL, Kafka, RabbitMQ, Postman, Jenkins, Docker, Kubernetes, MongoDB, C++, Grafana, Jira

Languages

- Bulgarian – Native
- English – C2
- Russian – B1

Qualities

- Team Player
- Logical Thinking
- Active Listening

Hobbies

- Gaming
- PC Building
- Late night driving
- One Piece
